Artist

- Pointillism- the practice of applying small strokes or dots of color to a surface so that from a distance they visually blend together.
- Color Theory
- Portraiture

Teach: What will you do to teach the content?

Teacher

I will review what Miss Slater taught in her lesson. I will show more examples of pointillism and include the topic in my lessons for the week.

Artist

Review pointillism, color theory, and works by Seurat, van Gogh, and Close through video and images. Demonstrate how to begin coloring their images step by step.

Support: What will you assign the students to complete and how will you support their learning?

Teacher

The students will complete any work provided from Miss Slater that was not finished.

Artist

Students will be assigned to continue their pointillism self portrait. Students will be shown step by step how to begin coloring their images.

Closure: What will we do to reinforce learning and close the lesson for today?

Students will review vocabulary words. Students can share their progress so far.
