

Student Behavior Survey

Dear Educator,

Thank you for your participation in the Professional Development Session. We are asking you to complete a brief survey designed to assess the academic behavior and work habits of the students in your class.

Please indicate the approximate percentage of students in your class that have consistently engaged in the following behaviors over the last 4 weeks of the school year. This can be any number ranging between 0 (no students) and 100 (all students). This survey should take less than 5 minutes to complete.

Please know that your responses to this survey are anonymous and confidential. We really appreciate your willingness to provide this important feedback!
